RE: Revised Social Distancing Protocols

DATE: April 29, 2022

Effective Monday, May 2, 2022, all social distancing protocols will be lifted in Assembly spaces, including conference rooms, the Assembly Gallery, and in the audience of all committee hearing rooms. As we rollback these protocols, we continue to encourage social distancing in all common areas/shared spaces and mask use for all Members, staff, tenants, and the public in the Capitol, Legislative Office Building (LOB), 1021 O Street building (Swing Space), and district offices.

If you have any questions, please contact the Assembly Rules Committee at (916) 319-2800.
